Dear Ted,

Toronto's Millennium Lights Celebration will be remembered for years to come! More than one million spectators flocked to Toronto Harbour to gaze in wonder and awe as Toronto Harbour erupted in a breathtaking symphony of fireworks, lasers and light. It was the biggest celebration ever held in our city and the most spectacular fireworks extravaganza in Canadian history!

The response to this amazing event has been overwhelming. The accolades that have poured in from across the country are testament to the impact of this once-in-a-lifetime celebration – and to the incredible efforts to those who together made it possible.

In this respect, we would like to thank you and your organization for your outstanding contribution to Toronto's Millennium Lights Celebration. Events of this magnitude could not happen without the hard work and cooperation of committed partners/supporters. Thank you for being part of this incredible effort.

We wish you all the best for a Happy New Year and look forward to working with you again soon!

Yours sincerely,
