To our Honorable Trivia Night Participants

Dear Mr. MacDonald:

It has been a few weeks since the gala event; egos have recovered, answers have been verified and grievances duly resolved. We at Local 3888, The Toronto Professional Fire Fighters Association, consider the evening a huge success. Your participation in the evening helped make this so. On behalf of our membership, we are taking this opportunity to thank you all and to invite you, in advance, to next year's event.

The enthusiasm shown by all the teams is what made it such a great success. As with anything, there is always room for improvement. With that in mind, we would ask you to forward any useful advice, criticisms or suggestions to our organizers so that we may make next year's Trivia challenge even better.

Also at this time, we want to thank our sponsors. Their generosity and support went above and beyond our hopes and expectations. Thanks again go out to;

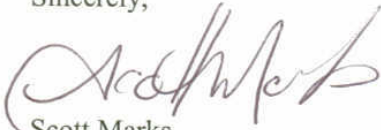

Murray Marshall at Diamond Estate wines And Spirits.
Chris Goddard of Steam Whistle Brewery for not just the beer but the wonderful bartending.
Ted MacDonald of AVM for lights and sound.
Lynn Mendelsson for the excellent catering, as well as being a Team Captain.
Kathryn Lee and Corrina Harunga of the CBC Events Department and CBC Communications for sponsoring the entire evening and, of course, to Mr. Michael Enright, without whom the evening would have been that much less entertaining.

Amongst the many e-mails and phone messages we have received concerning the evening, on thing has become very clear. All of you enjoyed the presence of the on-duty fire fighters and their fire trucks. For this, we wish to extend our gratitude to the City of Toronto Fire Services, specifically Chief Bill Stewart and Chief Daryl Fuglerud who graciously authorized the use of the on-duty crews and apparatus.

The evening raised over \$5,000.00 for Daily Bread Food Bank. We will not solve the problems of our City in one evening, but it all helps.

The Toronto Professional Fire Fighters' Association appreciates your generosity and your enthusiasm. We hope you will come out next year and enjoy the evening with us again.

Sincerely,
